

LOGINCLINICS

Why walk-in when you can log-in?

EHS Services

No need for your staff to sit in a busy urgent care and risk getting sick - LoginClinics focuses on fast, courteous & friendly EHS services

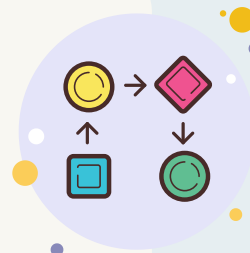

DOT & Non-DOT Drug Screens

Pre-employment, post-accident or routine. We come to you, or you come to us. We can administer and execute the testing, so your company doesn't have to.

Toxicology Testing

Blood alcohol, breathalyzer, saliva or hair, to look for traces of illicit drugs.

CDL & Employment Physicals

Routine, or pre-employment. We help your employees get a physical when they need it.

CPR Classes

We come to your job site, or you come to us. Our American Heart Association-trained staff will get and keep you certified!

Workers' Comp Evaluations

Using telemedicine or in-person exams, we can help your employees post-injury to make sure they get the appropriate medical care.

COVID-19 Testing & Vaccine Services

Flu, tetanus, hepatitis and COVID vaccines available, as well as rapid or PCR COVID-19 testing on your site, or ours.

Respiratory FIT Testing

Get your employees their annual FIT testing required by OSHA. We come to you, or you come to us. We can administer & execute the testing, so you don't have to.
